

Menai Straits Challenge

The Menai Straits Challenge is an event that anybody can enter, any day you feel like it, in conditions of your own choosing - as long as you paddle a sea kayak!

The concept is simple - paddle between two points in the Menai Straits and record your time.

Then submit the time to the Menai Challenge Team and watch as it is added to the ranking list on the Performance Sea Kayak website.

Prizes awarded at the end of the year!

But of course it's not quite that simple!

There are two courses – Standard and Advanced; both run between the Anglesey Sea Zoo and Gallows Point – in either direction, your choice!

Tidal planning, route finding, navigation skills and a touch of stamina will be useful!

Use it to compete against your paddling buddies, as a club challenge or perhaps as your own personal training benchmark. But if you fancy something a little more leisurely, just use it as an excuse for a drift down the picturesque Menai Straits!

Sponsored prizes! Everyone who posts a time will be entered into the prize draw. These are awarded on a raffle basis – everyone has an equal chance of winning irrespective of time or performance!

Prize Sponsors:

Rockpool Kayaks
Sea Kayaking Cornwall
Summit to Sea
Peak UK

Follow the 'Menai Challenge' link on the www.performancesekayak.co.uk website for rules, map references, safety and of course. the current rankings!
